VOL. V.

ADVERTISEMENT.

THE SPORTING CALENDAR. being carried on by THOMAS FAWCONER, (Successor to his late Partner WILLIAM TUTING, deceased; as also Successor to the late Mr. HEBER) returns his sincere Thanks to the Noblemen and Gentlemen, for the great Encouragement received from them, and in particular in supporting him since the great Loss he sustained by his late Partner, by confederating with Mr. *Weatherby*, and many Others, in concealing and disposing of 1600 Books of 1772, and converting the Money to their own Use, having refused to account, or settle with him; and, in order the more to distress him, have forced him into an expensive Chancery-Suit, which has occasioned some Delays in Mr. FAWCONER's Publication, which, from these Circumstances, he hopes his Subscribers will excuse: but the Dispute will soon be determined in his Favour by the Lord Chancellor.

Mr. FAWCONER assures his Subscribers, he has it in his Power to supply them with Racing Intelligence from the distant Parts of the Kingdom, earlier than any other Person; therefore, shall make it his entire Study to furnish them therewith; and hopes to have the Honour of their future Commands, in advertising Races, &c. his Paper being the most extensive, having, at this Time, upwards of 1300 Subscribers.

N. B. Mr. FAWCONER hopes he shall soon be able to send his Subscribers the Books of 1772.

Any Gentleman may be furnished with complete Sets of HEBER'S BOOKS, or any odd Numbers, by applying to Mr. FAWCONER, at the King's Arms, in Little Ruffel-Street, near Drury-Lane Playhouse, London.

ORDERS settled by the JOCKEY CLUB.

May 26, 1770.

RESOLVED by the members of the Jockey Club to meet annually at dinner on the day preceding the King's birth-day.

RESOLVED, That three members of the Jockey Club shall be appointed Stewards, and to commence their office on the fourth of June annually. One new Steward to be appointed every year on the third day of June, by the Steward who quits on that day, subject to the approbation of the members of the Jockey Club then present.

THE first and second vacancy of the three Stewards now named, are to be settled by drawing lots, and ever afterwards the senior Steward is to quit his office on the third of June annually.

RESOLVED, That the three Stewards, or any two of them, shall be vested with full powers to make such regulations as they think proper in regard to the exercise ground and course.

AND that the three stewards concurring, shall have it in their power to appoint such person or persons as they may chuse to keep the coffee-house, match-book, receive the stakes, and to collect the entrance money, and all other funds belonging to the Jockey Club.

The stewards are to be responsible to the Jockey Club for all the money collected, as belonging to the Club, and for the stakes made, and delivered to the person or persons appointed by them for that purpose.

THE stewards shall have it in their power to fix the hours of starting for each match, &c. but they shall be obliged to fix those hours of starting by eight o'clock on the evening preceding the day of running.

THE accounts are to be produced by the Stewards annually on the third of June.

RESOLVED, That in case any gentleman who keeps running horses has cause to complain of any feeder, rider, groom, boy, or other person employed by him, or intrusted with the knowledge of trials, of having discovered them directly or indirectly, by betting or wilfully in any other way (unless so allowed to do by his master) or if
any

any person as aforesaid, living with any gentleman, shall be discovered in watching trials himself, or procuring other persons so to do, or by any unfair means whatsoever endeavouring to discover trials, on such complaint being carried to any one of the stewards, that steward is to summon a general Jockey Club Meeting, as soon as convenient, which meeting is to appoint a committee of three members to examine into the accusation, and in case they shall be of opinion that the person or persons is or are guilty of it, then the person so found guilty shall be dismissed from the service of his master, and the said persons shall not be employed by any member of the Jockey Club in any capacity whatever, nor shall any horse, &c. fed, or rode by him or them, in the management of which he or they are concerned, be suffered to start for plate, match, or subscription.

. **RESOLVED**, That the names of the persons found guilty of these offences, shall be exposed in the Racing Calendar, and inserted in a paper to be fixed up in the coffee room at Newmarket.

. **I. IT IS AGREED**, That a copy of all the stakes to be made for matches, subscriptions, and sweepstakes, and the day and hour of shewing, or entering, shall be fairly wrote out and fixed up by the order of the stewards on the side of the chimney piece at each end of the coffee-room, on the Sunday evening before each meeting, to continue there each day of the meeting, as notice for staking, shewing, or entering, and no other shall be insisted upon.

. **II. A DAY BOOK** shall be kept by the persons appointed by the stewards, and continue in the coffee-room, in which shall be entered an account of all matches, subscriptions, and sweepstakes, to be run for each day, within that meeting, and as the different stakes are made, the payments shall be marked to the names of the persons so paying.

. **III. ALL STAKES** shall be made in cash, bank bills, bank post bills properly indorsed, bankers notes payable to bearer, or bankers notes payable to order also properly indorsed, and not otherwise, without the consent of the party or parties present concerned in the match, subscrip-

tion or sweepstakes, on whose account such stakes are made.

IV. ALL STAKES for matches, subscriptions, and sweepstakes, shall be made before starting for the same, and in default thereof by any person, he shall forfeit in like manner as if he had not produced his colt, filly, horse or mare, to start, and shall have no claim to the stake or stakes of the match, subscription, or sweepstakes, should his colt, filly, horse, or mare, have started and come first; and the said colt, filly, horse, or mare, shall be considered in regard to all betts whatsoever, as if forfeit had been paid; and this to remain in full force as an established agreement of the Jockey Club, unless such person has previously obtained the consent of the party or parties present, with whom he is engaged, to dispense with his making his stake as aforesaid.

V. ALL FORFEITS unpaid before starting for any match, subscription, or sweepstakes, shall be paid to the persons appointed by the stewards to receive the same, at the coffee-room, before 12 o'clock at night of the day such forfeits are determined; and each person making default therein, shall forfeit and pay to the persons so appointed by the said stewards, after the rate of five pounds for every hundred pounds so forfeited, which shall be disposed of by the said stewards towards such uses as they shall think fit.

VI. AND in order to prevent frauds, notice shall be given, that if any person make any bett or betts from signal or indication, after the race has been determined at the post, such person is not entitled to receive, or liable to pay the same, as such bett or betts are fraudulent, illegal, and totally void, and that if any servant belonging to a member of the society shall be found to have made or engaged in the making any such bett or betts, he shall be dismissed his service, and no further employed by any member of this society.

RESOLVED, That all forfeits or money paid on compromising any match or sweepstakes shall, bona fide, be declared and entered in the day book, in order that all bettors may be put upon an equality with the persons who

had

had the match or sweepstakes, and may thus be ascertained in what proportion they are to pay or receive.

RESOLVED, That the Stewards of the Jockey Club shall appoint some proper person to examine every colt or filly, being at the age of two, three, or four years, at the ending post immediately after running: the first time any colt or filly shall start for any plate, match, sweepstakes, or subscription at Newmarket, and the said appointed person is to sign a certificate of such examination and his opinion thereupon, which certificate is to be hung up before eight o'clock the evening of the said day of running in the coffee-house at Newmarket.—But for all plates, matches, subscriptions, or sweepstakes, where the colt or filly are required to be shewn before running, the examination as above-mentioned shall be made at the time of shewing them, and the certificate of the person appointed shall immediately in like manner be fixed up in the coffee-room at Newmarket.

STALLIONS

STALLIONS to Cover in 1774.

ANTINOUS will cover mares next season, at 10gs a mare, and 5s the servant, at William Pilkinton's, at Fakenham, 4 miles from Thetford.

The **COMBE ARABIAN**, at 5gs, and 5s the servant, at Pokesley-Green, 2 miles from Stony Stratford.

N. B. There is great convenience for mares at both places; and the greatest care will be taken of them, at the usual price.

BABRAM BLANK, Sire of Don Carlos, Creeping Kate, &c. &c. will be allowed to cover this next season, ten mares only, (besides Sir Joseph Pennington's own) at 20gs each mare, and 5s the groom, at Warter-Hall, near Pocklington, Yorkshire, 17 miles from York.

Good grafs, hay and corn, and great care taken to stint the mares.

All persons desirous to have mares covered by him, are desired to send their names and directions to Mr. Lewis Herbert, at Warter-Hall aforelaid, as soon as possible; as the subscription will be closed, when 10 mares are named and engaged for.

The money to be paid before the mares are taken away.

BELFORD, at Caterick, near Richmond, Yorkshire, at 10gs a mare, and 5s the groom.

He was got by Old Cade, his dam by Bartlet's Childers, which mare was own sister to the grand dam of Fribble, Snapdragon, Curiosity, Angelica, and Fair Rosamond.

Belford is the sire of Imogen, who won several times; also of a colt which won a sweepstakes at Wakefield Lawn; also of Ld Grosvenor's colt Stephano, who won the three-year old plate at Newmarket, in the First October Meeting, 1773, when 17 started; and a match against the Duke of Ancafter's Corydon, for 500gs, in the Houghton Meeting. He has had very few mares; and not more than 5 of his get have been trained.

Good grafs, and proper care taken.

DENMARK, at Mr. John Crowther's, at Middleton Tyas, near Richmond, Yorkshire, at 5gs a mare, and 5s the groom. He is 15 hands 2 inches high, and clear of all blemishes.

Denmark was got by Old Regulus; Regulus was got by the Godolphin Arabian; his dam by the Ball'd Galloway (she was the noted mare called Grey Robinfon); his grand dam by Old Snake; his great grand dam by Hautboy (she was the famous mare called Old Wilks). Denmark's dam was bred by Mr. John Crofts, of Barford, in Yorkshire, and got by his stallion Old Partner; his grand dam by Bloody Buttocks; his great grand dam by Greyhound, his g. g. grand dam by Makelefs; his g. g. g. grand dam by Brimmer; and his g. g. g. grand dam by Place's White Turk.

N. B. Denmark's dam was own sister to Mr. Pantons Widdrington mare; his grand dam was own sister to the dam of Mr. Shafto's Squirrel, which now covers at 5ogs a mare; and his great grand dam was the dam of Vane's mare, which was the dam of Bandy, &c. &c.

When 4 years old he won the 5ol. at Richmond; at 5 years old 5ol. at Barnard-Castle, 5ol. at Manchester, 5ol. and the Cup at Doncaster; 5ol. at Northallerton, and the 10ogs at Carlisle; at 6 years old 6ogs at Newcastle, 10ogs at Edinburgh, the King's Plate at ditto, and the Gold Cup at Richmond; when aged he won the 6ogs at Newcastle-upon-Tyne, 5ol. at Barnet, and beat Amaranthus, Hollyhock, Chatfworth, Laura, and Cataline, for the Jockey-Club Plate at Newmarket.

Good convenience for mares, and the utmost care will be taken.

At Caulk near Derby, at 5gs a mare, and 5s the groom, the noted brown horse

DRAGON, late Mr. Warren's; he was bred by him, and got by Old Regulus, sire of Carelefs, and many other capital runners, as also of the dam of Eclipse, &c. his dam by Ld Cullen's Arabian, sire of Mr. Williams's Old Moscoe, and Mr. Warren's Camillus, who beat Mr. Fenwick's famous mare Dutchefs, for the King's Plate at Litchfield; his grand dam was the dam of Carelefs, Sportman, and Fearnought.

Mr. Cross's Golden Fleece is out of an own sister to Dragon. The Duke of Kingston's Croney, and Sir Charles Sedley's Regulator, are both got by Carelefs, out of Cullen mares;

mares; their blood is therefore centered in Dragon, he being own brother to Careless, with the additional cross of the Cullen Arabian.

Dragon is sire of Junius, who won several plates at 4 years old; and who in 1771, won the 5 year old plate at Chester, and the aged plate at Nottingham, beating Sir C. Sedley's Grayling: he is also sire of Mr. Gordon's mare Sting'em, who won the 4 year old plate at Derby, and (though lame) beat Mr. Barry's Raggamuffin the last heat at Chester, 1771. he is also sire of Woolley's Why-not, who won at Worcester and Shrewsbury, beating Flimnap; and of Mr. Stevenson's 4 year old mare, who won at Chester and Knutsford; and of Mr. Malkin's Rutland, who won at Derby. As Dragon has produced many good runners, though he never had 5 bred mares in any year, and is nearly allied to many capital ones, much may be reasonably expected from him as a stallion for the turf; many of his get, from their bone, size and fashion, have been sold at high prices for hunters, out of common mares.

Good grafts for mares, and the money to be paid before the mares are taken away.

At Epfom in Surry, 15 miles from London,

ECLIPSE, at 25gs a mare, and 10s. 6d. the groom;

And

At Oxcroft Farm, near Balsham and West-Wratting, Cambridgeshire,

GIMCRACK	- at 30gs	} each mare, and 5s to the servant.
DUX	- at 20gs	
CARDINAL PUFF	- at 10gs

Good grafts, with proper care. The money to be paid before the mares are taken away.

GOLDFINDER will cover 30 mares, at 20gs a mare, and 10s. 6d. the groom, at Nuthall Temple, near Nottingham.

Such Gentlemen as chuse to subscribe, are desired to specify the number of mares to Mr. Tatterfall, near Hyde-Park Turnpike,

N. B. Good grafs for mares, a farm being appropriated to that particular ufe. And any Gentleman fending 2 or more mares, may have a feparate field for them, if defired.

The JILFY ARABIAN, at Mr. Bond's, at Mitcham in Surry, at 10gs a mare, and 5s to the groom. This horfe is very ftrong and healthy, and the flock he gets are bony, lengthy, and well proportioned, and very promifing to make racers. Some of his colts, of different ages, may be feen at the fame place.

N. B. Good grafs for mares, and all proper care will be taken of them.

KING HEROD, at Netherhall, near Bury, Suffolk, at 2 5gs a mare, and 10s the groom. The money to be paid at Netherhall aforefaid, at the time of taking away the mares; or, previous thereto, into the hands of Mefrs. Drummonds, Charing-Crofs, or the Keeper of the Match-Book at Newmarket; whose receipts, in cafe of payment to them, must be produced by the perfons sent for the mares, otherwife they will not be delivered, on any pretence whatsoever.

Good grafs and hay at 5s per week.

METAPHYSICIAN, got by Snap, his dam by the Godolphin Arabian, 10gs a mare, and 5s the groom, at Langham, near Bury, Suffolk.

Good grafs, and proper care will be taken that the mares are fatted.

N. B. He was a good runner, a certain foal-getter, and his flock very promifing to make racers.

The fine brown horfe PETRUCHIO, late Jenifon Shafto's, Esq; at Mr. Townshend's, at Egham-Hill, at 3gs a mare, and 2s. 6d. to the fervant.

He was got by Snap, his dam by Old Cade, his grand dam by an own brother to Old Babram, out of Slammerkin, dam of Dutchefs and Black-and-All-Black.----As to his performances in the racing way, they are fo well known to all fportfmen, that it is needlefs to mention them here. He is 15 hands and an half high, and maffer of 18 ftone: his get are remarkably fine shaped, with great fize and bone.

SWISS,

SWISS, at Mr. Carver's, at Golder's Green, near Hampstead, at 10gs a mare, and 5s the groom.

N. B. He was a good runner, and is own brother to Snap, who covers by subscription, at 50gs a mare.

VANDAL, at Hill-Ridware, near Rudgley, Staffordshire, at 5gs a mare, and 5s the servant.

He was got by Spectator, sire of Marc Antony, out of the own sister to the famous Chrysolite.

T. Pennington.

Starling is own brother to Don Carlos.

He won the four years old plate at Hull, the only time he started that year; at five years old, he beat Mr. Wentworth's Tortoise, for the Gold Cup at Scarborough; and broke down the next time he started.

Good grafs for mares, and proper care taken.

At Milford, near Tadcaster, Yorkshire, at 10gs a mare, and 5s. the servant, the noted horse

WILDAIR, when in training the property of Mr. Shafto and Mr. Swinburn; he was got by Cade, his dam by Steady, a son of the Duke of Devonshire's Childers, his grand dam by Partner, and very well bred after.

NEW-YORK, JAN. 2, 1773.

"I do certify, that Wildair is the sire of my Bashaw, who won the 100gs at our Newmarket last June; he is also the sire of my Angelica, who won the four years old Plate at Philadelphia, 1770; and walked over the Course for the Subscription at the same place; and is also the sire of my gelding, that won the four years old Plate at Mowlas Hook last June; and of Mr. Sims's Wildair, who won several Plates in Maryland last year, though out of an half-bred mare; very few more of his get have been trained.

James D'Lancey."

Also

Also, at the same place, at 5gs a mare, and 5s the servant.

LOFTY; he was got by the Godolphin Arabian, his dam by Partner, and called the Widdrington Mare; she was likewise the dam of Mr. Shepherd's stallion Crab; Lofty's grand dam was got by Bloody Buttocks, and was own sister to the dam of Squirrel.

And also, at 5gs a mare, and 5s the servant, the fine **BROWN ARABIAN**, late his Grace the Duke of Northumberland's; he is the sire of None-such, that won the 800gs sweepstakes at Newmarket; and of Acteon, that won several matches and plates; and of Mr. Parker's Ariadne, that won several plates; and of Mr. Shafto's Mitimus, that won a 500gs sweepstakes at Newmarket, and the fifties at Chelmsford, Winchester, Oxford, Abingdon, and Wells, and several matches at Newmarket; and of Mr. Jennings's mare Ultramarine, that won a match at Maidenhead, and a 50l. plate at Hampton-Court; also of Mr. Morrison's Dolly's, sometimes called Creeping Molly, that won the 50l. at Penrith; 50l. at Kelfo; 50l. at Morpeth; and 50l. at Air, in 1772; and also of Sir John Douglas's horse Philipppo, that won two fifties at Air, in 1771; and the 50l. at Newton Stewart; 50l. at Air; and the King's 100gs at Carlisle; and this year, 50l. at Lancaster; and 50l. at Morpeth.

Good grafs for mares, and proper care taken.

PHLEGON, that well bred son of Match'em, at Mr. Carver's farm, Goulder's Green, near Hampstead and Hendon, Middlesex, at 3gs a mare, and 2s 6d the servant.

He is a horse of great bone and strength, full 15 hands high, a fine brown bay, very healthy, and free from all blemish, was a good runner, now rising nine years old; he was bred by James Bland, Esq; in Yorkshire, and got by Match'em, out of his Old Crab mare, which was the dam of Hemp, Ferdinando, Flyax, and many other capital horses of high form; his grand dam by Fox, which was the dam of Mr. Shafto's Old Snap. The money to be paid at covering, or before the mares are taken away.

N. B. Good grafs, and proper care will be taken of the mares, with good convenience for their foaling.

The

THE CUMBERLAND ARABIAN, will cover mares the ensuing season at 5gs a mare, and 5s the groom, at Mr. Periwalls, at Croydon in Surry.

There is every convenience provided for mares and the utmost care will be taken both as to their foaling, and in all other respects.

Mr. Lloyd's filly **KITTY CROWDER**, is the first of his get that has been trained.---She walked over the course for the stakes at Conway; and also won the four year old plate there against Monitor and Royal George, being the only times she has started.---She was lam'd in the shoulder the day of entering, and continued so excessive lame, that Mr. Lloyd started her for the plate, intirely at the request of the Stewards and to oblige the company, to qualify the other two to start; but notwithstanding her lameness, she won in so high a form that amaz'd every one present. Her dam and one mare more were all the blood mares he had the year 1768; and the produce of the other is now in training; both these mares being old ones, and never having bred racers before, indicates, together with the fine shap'd, fiz'd, and boney stock from common mares, a great probability of this Arabian being a very capital Stallion.

N. B. Enquire of Mr. Fawcener for further particulars

To cover this season at Rushton, in Northamptonshire, at 5gs a mare, and 5s the servant;

A SON of CARELESS; his dam was out of a daughter of North Diamond, and was full sister to Mr. Warren's Camillus, he is full 16 hands and one inch high; is of very just shape and great strength.

To cover this Season, at ten guineas each mare, and five shillings the groom, at Mr. Dowson's, Clay Hall, in Essex, the Arabian horse, called

C H I L L A B Y,

Seven years old, and perfectly sound. He was brought over in the Northington East-Indiaman in 1771, being then the property of Thomas Mathewson, Esq; who resided many years at Mocha: the horse was there mortgaged for a thousand guineas. He discovers more of the racing breed than any horse yet imported, and may be strictly reckoned a perfect mountain Arab.

N. B. Good grafts for mares, &c.

BOS-

BOSPHORUS will cover the ensuing season, at Epsom, at five guineas a mare, and five shillings the servant; the money to be paid before they are taken away; good hay, grafs, &c. and proper care taken.

Bosphorus has been the property of the same persons ever since he began to cover; and they not breeders, nor having no connections in that way, has not had the dam of any capital runner, nor but very few tolerable bred ones; notwithstanding he has produced as follows: The Duke of Bolton's Chose, which won at Basingstoke and Reading; Mr. Parker's filly, which won a sweepstakes and the cup at Blandford; Mr. Strode's colt, which was second for the great stakes at Burford, and then sold to Mr. Walker, and was also second for a sweepstakes at York, tho' much out of condition, and afterwards won a 1000. plate at Lincoln: he is also the sire of Mr. Tilbury's filly, which won at Odiham, and of several others which have won 500. plates, &c. The above is a sufficient proof of his goodness, and makes it clear of all doubt, if he had an equal number of proper mares, would get as many good racers as any of the present stallions; for his pedigree see the account of stallions in Heber's book, from 1763 to 1768, both inclusive.

N. B. All of his get which have been trained are full as good, and some of them rather superior to any of their dams ever produced by any other horse.

LATHAM's SNAP will cover mares the ensuing season, at Mr. Sparrow's, at Sutton, near Epsom in Surry, at five guineas each mare, and five shillings the groom.

N. B. Plenty of grafs, with due attention to the mares. The money to be paid before the mares are taken away.

BRITANNICUS will cover mares the ensuing season, at Mr. Aldridge's, at Bisley, in Gloucestershire. The price and particulars will be published in the Sporting Calendars of 1774.

To cover this season, at Mr. Hare's, at Bowe's-Farm, near Southgate, in Middlesex at one guinea a mare, and half-a-crown the servant, the fine bay horse

GRANBY, he was bred by the late Lord Granby, and got by his famous high-bred horse Boothby, (who was got by Old Snake) out of a well-bred hunting mare of his Lordship's, called Cope's mare. Her great qualifications as a hunter, are well known to all gentlemen fox-hunters in the North.

She

She was esteemed the best hunter in England to carry heavy weights.

Granby comes seven years old this grass, is sixteen hands high, perfectly sound, free from blemishes, and so remarkably strong and boney, that he is allowed, by good judges, to be master of eighteen stone, to hunt over any country. He is the likeliest horse in the kingdom to get very capital hunters, and fine Chapmens horses.

N. B. Granby's stock are remarkably handsome, boney, and well marked.

EXTRACT

EXTRACT OF SATURN

The best REMEDY for HORSES.

THE efficacy of this remedy against some external disorders incident to animals, having been by Mr. Goulard and by the celebrated Mr. Blunt, in his learned Practical Farriery, left unnoticed, Dr. Arnaud has thought it a duty incumbent upon him, to point out his notions upon such disorders of horses as are similar to those of men; such as strains, bruises, blows, inflammation of the eyes, &c. Several of the Nobility having adopted the Doctor's opinion, directed the use of the EXTRACT to some Farriers, who, astonished at its surprising effects, introduced it immediately into their private practice: Their often repeated experiments were so much the more successful, as they used the Genuine EXTRACT OF SATURN. This medicament was soon known, and as soon extended into general use amongst Farriers; but by employing the spurious sort, they often, to the destruction of the horse, and the discredit of so valuable a remedy, mis-carried, or retarded the cure. To avoid such inconveniencies, Dr. Arnaud, who is the only person in England empowered by Mr. Goulard, to sell his Extract of Saturn, continues to sell it at 10s. 6d. a vial, at his house in Church-street, St. Ann's, Soho, where may be had, Mr. Goulard's Vegeto-Mineral Water, ready prepared for horses, and made with distilled water, true French spirit of wine, and the finest camphire, at 4s. a quart; Goulard's Pomatum, at 10s. 6d. a gallon; and Eye-Water, at 1s. a vial.

With each of the above medicines will be given a bill of directions, wherein the disorders they are to be applied to, and the right method of using them, are pointed out. For a particular account of the virtues of the Extract, read Mr. Goulard's Treatise on the Extract of Saturn, sold by P. Hensley, in the Strand.--- Good allowance will be made to Retailers.

BECK, SADDLER and CAP-MAKER, (from Greenwich, Lincolnshire) at No. 229, Oxford Street, London, adjoining to Mr. Dymock's Stables; several years a principal Workman at Mr. Raithby's, at Hyde Park Corner: Makes Hunting and other Saddles, Side-saddles, Race-Saddles, and Horse-Cloaths, on any plan, and the neatest manner. Gentlemen and Ladies may depend on being well served, and on reasonable Terms, by their humble Servant,
